eps ESSENTIAL PREGNANCY SERVICES
Helping expectant and parenting families build a healthy future

All of our services and classes are free of charge

On your first visit, you will meet with a client advocate to register and enroll in one or both programs. You may enroll once per program per pregnancy.

During class, you will watch videos, complete worksheets and participate in class discussions; activities that teach good parenting skills. You will receive points each time you attend class. Spend the points you earn on baby items in our Baby Boutique.

EPS hopes that you will be excited that you can *earn while you learn!*
