client feedback

alexandria

"EPS is a wonderful organization. The staff at Benson is so kind and genuine. I absolutely loved the Parenting by Colors class I took there. Truly an amazing resource to have in our community."

masodab

"I call EPS a home, because on my arrival to the states from Africa it was difficult to find a place I could fit in, but EPS gave it to me with much love. EPS has helped me tremendously to prepare for my baby especially by providing me with the education I need as a new mother. They are a life saver!"

bobbie

"The staff goes above and beyond making it a comfortable, helpful, supportive, and welcoming environment for their clients. I'm so thankful for each and every person at EPS who has helped me prepare for the arrival of my baby, I don't know where I would be without them."

brittany

"I cannot say enough good things about EPS! Every single staff member is kind, caring, and compassionate to all. They have helped me mentally and financially."
